15 students get UIU research awards

▶ **AA News Desk**

The award-distribution ceremony of 'Inter-University Undergraduate Research Symposium' was held at United International University (UIU) campus recently. School of Business and Economics of UIU organized the nationwide contest. CPD Distinguished Fellow Dr Debapriya Bhattacharya was present as the chief guest while ASM Mainuddin Monem and Mohammed Nurul Amin were present as special guests. A total of 167 undergraduate students from 31 public and private universities of the country participated in five different tracks. Top 12 participants from each track were invited to present their research papers. In each track, the best research paper won the first prize of Tk 50,000 followed by Tk 30,000 for the first runner up and Tk 20,000 for the second runner up.
