Chapter - 2
Organization Overview
2.1 Background

Akij Group is a historic organization of our country. It is sustaining and extending its operation since British era to still now. After getting liberated from Pakistan, Akij initially got famous for its tobacco operation, which primarily started as AkijBiri. It is a significant reason behind people’s misunderstanding about leaf on the logo of Akij Group. Most of the people mistake it for tobacco leaf, whereas it is actually a jute leaf, symbolic to the heritage of the entire group of industries, as a monument to the historic introduction of the entire empire of business from a single small jute business. Food and Beverage segment became a strong hand of Akij Group with the march of time. It is not long since it started its journey, 2006. But within this short period, its reach to the consumers and domination over the market is quite appreciable and worth of looking into some details.

The ultimate goal of Akij Food & Beverage Ltd. is to provide quality products to people of all economic groups along with maintaining commitments to other stakeholders of the community. With the economy of Bangladesh went a little slothful due to some recent political events, country’s all domestic organizations faced some difficulty maintaining the same balance between quality and price, however, AFBL maintained its negotiation with obstacles and prevailed zero tolerance about quality compromising. We expect such character from our entire domestic manufacturer.
Akij group

Akij aggregate is one of the biggest local gathering of businesses in our nation. It was established by Sheik Akij Uddin around amid British principle. In 1940, he began a jute business. The logo of the gathering still holds that jute leaf. Analysis goes, the business had utilized youngster work. Later in 1950, Akij Biri was presented and step by step that little business, inside every one of these years reliably, to frame such humongous shape adjusting in excess of 18 backups. The corporate place of Akij is known as Akij House situated at Tajgoan Commercial Area close Gulshan. Presently it is nation’s one of the most elevated citizen. Amid 2014-45 financial year, it paid around 3500 center BDT impose, which was the 33% of the nation’s whole national spending that year. Furthermore, in 2015, its income was around 5 billion USD. This ingenuity is taking them to set up other 4 or 5 new backups in not so distant future into various businesses.

2.2 Company Profile

(Akij Food & Beverage Ltd)

Akij Food and Beverage Limited started its journey on 2006. Though the plan was dairy would be the introductory segment to join the food industry, however, due to some legitimacy in the capital installment and long, complicated and much sophisticated milk collection procedure; it got delayed, and the CSD (Carbonated Soft Drink) industry became the first one to start with. Later it introduced juice, hard drink, non-alcoholic malt drink, fruit jelly, pickles, chips, mineral water, dairy products etc. The head office of AFBL is located at AKIJ HOUSE.
2.3 Organizational Structure

Like other assembling associations, it is a tall organized organization, yet not at all like companies, the basic leadership strategy is progressively concentrated here. The executives straightforwardly include themselves in each arranging and favors each move by their own.

Chapter- 3
Analysis and Findings
3.1 Event Marketing
Event marketing is characterized by the instruments, procedures and channels you use to elevate an occasion to a group of people, more often than not with the desire for motivating them to purchase tickets or visit. Event marketing starts with propelling an occasion thought, through to influencing participants to welcome their companions or associates and pulling in a consistent pipeline of leads through channels, for example, email showcasing, blogging and publicizing. In the present purchaser engaged world, advertisers need to grab each chance to manufacture connections, produce generosity, and gain the trust of imminent purchasers and clients. The cutting edge customer needs in excess of a pitch while assessing arrangements or settling on buying choices. Occasions offer a one of a kind open door for them to collaborate with brands to get a firsthand feeling of an organization's center, point of view, and identity. Event Marketing should be a basic piece of the interest age blend, and a vital mix of disconnected and online occasions are fundamental to any organization's main concern.

3.2 The Impact of Event Marketing
Events must be memorable to make an impact. Obviously the ideal effect relies upon the objectives, however most organizations need occasions to be something beyond an arranged commercial for their image. At the point when progressed nicely, occasions have the ability to make an enduring and amazing impression of all that your organization can convey. By enabling individuals to encounter and communicate with your organization, item or administration while partaking in an occasion, you are interfacing with potential purchasers.

3.3 Types of Event Marketing
Events come in a large variety of flavors, and can be held in countless venues, whether online or off. Below are some common types of events you can expect to participate in.
Online Events

Online Events associate moderators and members through an electronic interface. Normal sorts of online events incorporate virtual events, and live streaming events. Online occasions are frequently less expensive than in-person occasions and can empower you to effectively contact topographically scattered group of onlookers.

i) Virtual Events

Virtual events empower people in various areas to partake in a virtual domain that has the look and feel of a disconnected occasion, by consolidating training, organizing, and intelligent highlights. Members visit a virtual corner where they can gather materials, meet the staff, make inquiries, and even get some virtual swag. These projects will in general occur progressively for all members.

ii) Live Streaming Events

These are live events that we can stream to our watchers. We can direct these with a straightforward webcam or utilize a full generation group for higher quality telecom. Applications, for example, Live stream and Upstream, just as new choices like Google+ Hangouts, offer a live administration that enables us to completely stream, record, and draw in our gathering of people with talk and internet based life usefulness.

Physical Events

Offline events require physical attendance and interactions take place in person. While they often require more investment than virtual events, offline events allow face-to-face relationship building. Don’t underestimate the impact a handshake or a personal meeting can make on a prospect or customer.
I) **Tradeshows**

A tradeshow is a physical social occasion of people in a specific industry or calling in a gathering that normally includes various organizations in a particular market. A business may support or partake in a tradeshow to flaunt an item or basically to arrange and reinforce its quality in a market.

II) **Meetings**

Meetings are regularly organization explicit promoting occasions that assemble participants to deliver data, for example, a client summit. These occasions will in general be on the bigger side, and are held by organizations for preparing or instructive purposes.

III) **Seminars**

The term seminar is normally used to depict littler gatherings, roadshows, or field occasions. A few workshops are set up like a classroom address, where a specialist imparts data to the gathering of people in a conventional increasingly formal style. Others are styled as roadshows, where advertisers take their organization's message out to people in general or to representatives or accomplices.

IV) **Morning meals, Lunches, and Dinners**

These are commonly littler, more focused on occasions. They can be both client and prospect centered. These occasions are generally exceptionally cozy with 8-10 individuals, or can be bigger with at least 50 participants. For the littler capacities, these will in general be abnormal state and give administrators a private setting to systems administration. On a bigger scale, morning meals, snacks, and suppers can incorporate idea initiative introductions as a component of the occasion.
3.4 Events of Akij Food and Beverage Ltd

It is one of the important facts of an organization which it needs to support in an appropriate manner to accomplish ideal result. AFBL values the significance of advancement, since it trusts regardless of how top notch, great taste, alluring bundling the item benefits, it must be appropriately conveyed to the client to seek after the last buy. Here, the promotion of MOJO, CLEMON, SPEED, SPA, AAFI, FRUTIKA intended for no particular reason adoring youthful grown-ups. Both ATL (Above the Line: TV, Radio, Newspaper, Internet), and BTL (Below the Line: Sponsorship, Sales advancement, Direct Marketing) is utilizing for limited time reason. This type of promotion focuses on advertising to a large number of audiences.

Promotional Activities:

3.5 Mojo

Mojo was the first brand introduced by Akij Food and Beverage. It was a carbonated soft drink brand in cola flavor. It was imaged in the market as a fusion brand, a fusion of classic and modern trend. Its packaging and communications perfectly reflects that. It initially started campaigns with the tagline “antore antore”, however, now it has been changed into “antore is on”. Mojo was a successful brand from the very early of its journey. Market penetration in this industry was always very hard because of the two existing multinational giants Coca Cola and Pepsi. However, it not only survived, but also managed to acquire a significant amount of market share. Currently Mojo has 35% market share in cola, 20% in overall CSD market and more than 80% in 250ml SKU segment. Besides, it achieved 2nd position in consumer top of the mind. To promote MOJO, AFBL has most two recent activities which has very much responsive feedback from the
audience side. “ONTORER DAAK” and “My LIFE, MY MOJO” are the recent activities tagline. “ONTORER DAAK” came up on the valentine day in 2018 to celebrate the day of love.

**Promotional Campaigns:** One of the leading reasons for Mojo being so successful is its communication effectiveness and promotional campaigns. One of the mentionable events is “Mojo PithaUtshob” which is held every winter. And some others are MOJO Pohela Baishakh, MOJO Ticket is on, MOJO Ontor is on (Thematic campaign) etc.
3.6 Clemon & Lemu
Clemon and Lemu are clear CSD brands. They also have started their journey on 2006 alongside with Mojo. Their market position currently is not that promising as Mojo though, they are putting quite a competition. Except sprite and seven up, they are giving a hard time to the local clear drinks.

Promotional Campaigns: Clemon is doing wide campaign program all over the country throughout the year with the tagline “Live Fresh”, which is strengthening the ground beneath. These campaigns program includes Clemon Indoor Cricket Tournament, Clemon Grooming Clemon Beach Carnival, Clemon Victory Day Green Ride and Rally etc. which create enormous exposure increasing brand value at a significant rate.
3.7 Speed

Speed is a hard drink brand, the most successful brand of Akij Food and Beverage Ltd for so long. Like Mojo, it was one of the initial brands with the journey of AFBL. It was launched on 14th April, 2006. Speed promotes itself into the market with tagline “Hebby Energy”. It has got itself into the top in both market share and top of the mind. Currently it has 52% market share in hard drink category.

**Promotional Campaigns:** It was not that successful at the very early stage. Its first TVC faced criticisms. Then on 2009, it was launched with completely different logo and packaging; and also with new positioning and tagline. The through consistent 360 marketing and proper distribution, Speed fought back and eventually reached to the top. Gradually Tiger and Shark are pushed away outside the capital. One of the most important mega events of Speed is “Speed Track Master” which takes place every year with the participation of university students. One of the mentionable events is “DITF 2019”
3.8 Spa
Spa is a fresh drinking water brand of AFBL. It was launched on April, 2007. It tried to attach emotion through its positioning; the tagline is “Love for water”. It also changed its packaging once throughout its timeline. Currently, it is holding a competitive positioning with Mum and Aquafina. Currently AFBL is planning to launch another fighter drinking water brand to compete in the countryside and sub-urban markets. The process is now very close to launch.

Promotional Campaigns:
Spa always tries to bring emotional attachment through its promotions. Focusing on the emotional relation between the existences of all our lives with water is the ultimate message of all the communications of Spa. Besides, Spa arranges lots of publicity events and campaigns.
3.9 Aafi
Aafi is a comparatively new brand of AFBL started its journey in 2014. It was launched as a fruit drink (mainly mango) brand to assist Frutika. Along with Frutika, it also has a good demand in Middle East. Besides, fruit drink, there are juices of guava and litchi flavor, mango bar, pickles of mango and olive flavor, tomato sauce, chanachuretc.products are also under this brand’s roof. Besides, they introduced the latest offering from AFBL, which is Aafi,Zira-Pani.

3.10 Frutika
Frutika is the flagship fruit drink brand of AFBL. It was launched in 2007. Its positioning is “purity” as it does not contain any harmful preservative. It was quite successful in the market before 2010 when it faced a significant insufficiency in production and delivery in comparison to demand. Later it became difficult for it regain that amount of market share, however, it made a mentionable recover over years. Later it received the “The Best Brand” award from Bangladesh Brand Forum in 2011, 2012, 2014 & 2015.

Frutika fruits drink has four different flavors:

- Mango
- Red Grape
- Green Mango
- Orange

Promotional Campaign: Among promotional campaigns of Frutika, the “Frutika Islami Genius” is mentionable. It is a quiz program on the Islamic history and knowledge.
3.11 Farm Fresh
Farm Fresh is the dairy brand of AFBL, launched in 2011, one of the dream project of the director brothers. Even being late, the company managed to set up an efficient milk processing plant along with planned and well monitored supply chain channel. Besides pasteurized and UHT milk, they also produce almost all kind of dairy products.

The dairy product categories Farm Fresh is competing are:

- Farm Fresh Pasteurized Milk
- Farm Fresh UHT Milk
- Mango Shake
- Chocolate Milk
- Ghee
- Yogurt
- Sour Curd
- Butter
- Low Fat Curd

Promotional Campaign: Despite being the latest brand, Farm Fresh is very active in campaigns and events. The mentionable programs initiated by Farm Fresh are “Farm Fresh Jannani”, “Children’s Day”, “Colony Drive” etc. Besides these, there are also some other brands i.e. Happy-Times, Home-Makers, Cheese-Puffs, and O’Potato. Cheese Puffs and O’Potato are chips brands. Happy-Times and Home-Makers are a little under developed in terms of product line. Happy-Times offers a fruit jelly for now and Home-Makers offers
spice or seasoning items. One of the mentionable events is “Farm Fresh Children’s Day 2019”

3.15 Price
Pricing is one of the urgent parts of an items fate to progress and disappointment. There are a wide range of techniques for valuing an organization can utilize. However, the fundamental examination is to deliberately set the valuing that encourages the organization and the item too.

In the drink business of Bangladesh, individuals are very value delicate and accordingly costs of practically all the contending items are same.

A definitive cost is then investigated by AFBL utilizing two techniques:

Competition-based Pricing
Here AFBL recognizes whether its item cost is like the contenders or not. As in light of the fact that the refreshment showcase is exceptionally value delicate, in this manner cost can't be more than contenders and even can't be not as much as contenders as on the grounds that it will affect the profitability. So the cost must be near the contenders' cost.

Market-oriented Pricing
Here AFBL legitimizes whether the cost of its item is a value that will be acknowledged in the market and viewed as a market-arranged cost as opposed to a value that will iBBAlance the market evaluating logic.

Pricing Strategies

- Competition-based pricing
- Cost-plus pricing
- Creaming or skimming
- Limit pricing
- Loss leader
- Market-oriented pricing
3.16 PLACE
PLACE: Place means that outline of distribution channel a company employs to make its products available to the final consumer. AFBL inborn the advantage and was been able to use the wide network distribution channel to promote and provide its products in each and every place across the country. AFBL has segmented the entire Bangladeshi market into 25 regions for its distribution purpose.

3.17 PROMOTION
It is a standout amongst the most essential features of an organization which it needs to advance in an extremely legitimate manner to accomplish most ideal result. AFBL values the significance of advancement, since it trusts regardless of how top notch, great taste, appealing bundling of the item, it must be legitimately imparted to the client to seek after the last buy. AFBL has extensively sorted its special exercises in two kinds: • Trade advancement (TP): Trade advancements are focused for the retainers and the wholesalers. It generally includes free items, money motivators and presents for the retainers and wholesalers for high volume buy. • Consumer Promotion (CP): All the special exercises that are focused for the client.
3.18 Findings
In the wake of completing the post assessment inquire about, Brand group summarize that mark consciousness of web-based social networking in comilla expanded than previously. Be that as it may, limited time procedure should more do betterly to draw in the objective gathering. So, Social media is perfect way. Because of online networking we can without much of a stretch message our objective gathering for our program. As of now we think about the limited time system instrument MOJO utilized in MOJO Pitha Utshob. From the respondents reaction, it demonstrates that 23% of the program in comilla supported by MOJO. What's more, limit of the distinctive program held at Townhall. 81% of the respondents knew about the MOJO PithaUtshob program. Likewise, respondent said half of “pitha utshob” supported by MOJO. Some other findings are mentioned below.

a) Lack of programming framework: At present AFBL is utilizing their very own product for working the hierarchical errand, yet it isn't online premise programming.

b) Shortage of reinforcement: Due to the product not online premise so the reinforcement of the documents is critical.

c) Doing business just in neighborhood advertise: As we realize that AFBL is a 100% situated organization and they just manages the nearby clients.

d) Lake of correspondence: The correspondence framework must be create in the brand and promoting.

e) Less number of representatives: Once more, at front work area there is less number of representatives for the record opening assignment just as dispatch related works. Along these lines, it sets aside somewhat longer opportunity to complete off his or her activity.

f) Lake of corporate framework: A few sorts of corporate framework are deficient.
Chapter – 4
Conclusion & Recommendations
4.1: Conclusion

AFBL is conducting its business with good reputation. It’s sale is increasing over time. Consumers as well as retailers are satisfied with AFBL in terms of price, quality and service. AFBL is successfully doing its business in Dhaka rather than other districts. This report and survey really helped me to know regarding products and financial condition of this company. It helped me better to correlate my theoretical knowledge with practical domain. The Brand department of AFBL makes intensive effort regarding the brand building of the products. The reflection of the efforts could be seen from the strategic marketing communicational theme and brands like MOJO, SPEED, FRUTIKA, CLEMON etc. All the ratios we took in consideration presents that the company is doing very well over the time. The pace at which AFBL is currently accelerating, will undoubtedly lead the company to the peak of success where majority of the market shares will be held by the brands of AFBL. And Speed is developing day by day as we see. It has become the most selling brand in the last few years. I will be concluding my research report by stating that, being able to work with a company which is in the growth stage of the organizational life cycle (OLC) enabled me to acquire a bundle of practical knowledge which will turn out to be a great support for my future strategy formulations and implementations achievements.

4.2: Recommendations

Among the quick moving buyer merchandise organization AFBL is one of the noticeable local organization which has a few product offering and a lot more to come in future. Having broken down the issues of the organization and the conclusions of the clients and potential clients of Energy drinks (Speed), we can concoct the accompanying suggestion to recoup the issues of disagreeability of the item among the purchasers who know and furthermore the individuals who don’t know about their item. Investigation from my report empowered me to extemporize valuable suggestion in regards to the showcasing/communicational techniques and brand working of AFBL's items. In the time of examination, I ran over numerous informative issues that won't have been conceivable to accomplish without such intensive significant work. I have given suggestion AFBL and Speed are laid out underneath:
• AFBL should endeavor to induce the government to evacuate charge on imported crude materials so that as a nearby organization they can get upper hands (both in cost and quality) to contend with the contenders.

• From the study, it is seen that the vast majority of the respondents think about the AFBL (Speed) mark yet they don't know pretty much every one of the items that they have (Clemon, Lemu, Frutika, Wild Brew and So on).

• Sales power should be increasingly prepared up and proactive to catch the market of drink.
• Product accessibility ought to be kept up by the organization.

• They ought to accentuate on occasion (support) and social promoting to build the brand consciousness of AFBL's items.

• The concerned deals and advertising official ought to once in a while visit the remote markets to energize the clients.

• The organization ought to be increasingly watchful about choosing the season of the occasions and initiations.

• The occasion coordination ought to be kept in an increasingly sorted out way.

• Should pursue a strict method in picking outsiders for the occasions.
