UIU holds orientation of Fall 2019

Staff Correspondent

THE orientation programme of United International University for Fall 2019 semester was held on the campus in Dhaka on Friday.

Students from School of Science and Engineering and School of Business and Economics took part in the programme where university vice-chancellor Chowdhury Mofizur Rahman was present as the chief guest, said a release.

Deans, head of departments, directors, teachers and staff were present. Director of the career counselling centre delivered the concluding remarks.

United International University holds an orientation of science and engineering, and business and economics students of Fall semester on the campus in Dhaka on Friday. — Press release
