

UIU receives grant from EPRC

Eduvista Desk

Centre for Energy Research of United International University (UIU) received research grant of BDT 3,97,88,600 for Researches on "Demand Response Enabled Smart Grid". Energy and Power Research Council (EPRC) of Ministry of Power, Energy and Mineral Resources of Bangladesh awarded the grant to the team leader and UIU Energy Research Director Shahriar Ahmed Chowdhury.

The award giving ceremony was held

at Bijoy Hall of Bidyut Bhaban on the 9th Oct, 2018. This is the first ever research grant of Energy and Power Research Council (EPRC) after its formation in 2015.

The State Minister of Power, Energy and Mineral Resources Nasrul Hamid, MP, Power Division Secretary Dr Ahmad Kaikaus, EPRC Chairman Shahin Ahmed, BPDB Chairman Khaled Mahmud and Vice Chancellor Prof Dr Chowdhury Mofizur Rahman, were present at the ceremony.
