UIU organized the unveiling ceremony of the book titled "Stochastic Processes and their Applications in Business" on Saturday. -AA

Book unveiling ceremony held at UIU

► Hasib Abedin, AA

United International University (UIU) organized the unveiling ceremony of the book titled "Stochastic Processes and their Applications in Business" written by Prof Dr Abu Jafor Mohammad Sufian. The ceremony took place on Saturday at UIU auditorium in city's Badda area. Vice Chancellor (VC) of United International University Prof Dr Chowdhury Mofizur Rahman presided over the ceremony. Dr Abdul Hannan Chowdhury, ANM Meshquat Uddin, Prof Md Abu Saleh, Prof Dr Nurul Mustafa and Prof Dr Abu Jafor Mohammad Sufian were noted discussants in the ceremony. Speakers in the ceremony agreed that this book will address all forms of uncertainties in the field of business and other disciplines. It will also help equip readers with skills necessary to conduct simple stochastic analysis of data in the field of business, management, social science, life science, physics, and many others.
