Fresher's orientation held at UIU

AA Correspondent

United International University organized an orientation program to welcome the newly enrolled students of Fall-2019 at its auditorium on Saturday. Students from School of Science and Engineering (SoSE) and School of Business and Economics (SoBE) took part in the orientation program where Prof Dr Chowdhury Mofizur Rahman, Vice-Chancellor of UIU was present as the Chief Guest. Welcoming the newly admitted students and their parents, Chief Guest called upon the students to capitalize their student life by becoming the best professionals in respective fields. Highlighting the academic rules of the University Prof ASM Salahuddin, Register of UIU, has assured of extending all-out cooperation to the newly admitted students. Deans, Head of Departments, Directors, teachers and staff, among others, were present. Director of Career Counseling Center delivered the concluding remarks in the program.
