21st ICCIT-2018 held at UIU

Eduvista Desk

Inauguration of the 3-day 21st international conference on Computer and Information Technology (ICCIT-2018) was held at United International University (UIU) on Friday. UIU CSE Department has arranged the conference on 21 to 23 December 2018.

UGC Chairman Prof Abdul Mannan was present as chief guest while Trustees Board Chairman Hasan Mahmood Raja, was present as special guest. With the chair of Prof Dr Chowdhury Mofizur Rahman, Vice-Chancellor of UIU, the program was started with the welcome address from Prof Hasnan Ahmed, Pro Vice-Chancellor followed by a speech from Prof Mohammad S Alam.

Keynote speakers from different domains of Computer and Information Technology were sharing their ideas, experiences and insights. Researchers

discussed about the recent work, present and demonstrated their scientific results at the conference.

301 papers from 21 different countries were submitted and only 88 high quality research papers were accepted for the final publication after a rigorous peer review process. All papers will be published on the IEEE digital Xplore. It is supposed to be a display of top class research work and will be greatly beneficial for the students and academic researchers in the field of Information Technology in the country as well as to the industry people.

In the three days, the conference is been continuing with 12 technical sessions on scientific research on various topics such as Machine Intelligence, Network Systems and Security, Cloud, Signal and Image Processing, Data Mining and Machine Learning, Hardware and Embedded Systems, Natural Language Processing.
